Petition Office for Patents

Sirs, I am writing this letter to inquire about the status of my petition to the commissioner which was received by the patent office Nov.25,2003. After many phone calls to various departments, no one seems able to find the actual petition but has found the fee for said petition attached to my case file as well as the Nov.25 date which shows that such was filed in a timely fashion. I would greatly appreciate your attention to this matter thank you
